

Manulife All-In Banking Package™ Account Opening Offer (Amazon Prime Membership)

Terms & Conditions

Beginning on **June 14, 2020**, new Manulife All-In Banking Package™ customers will be able to qualify for a one-year **Amazon Prime®* Membership**.

To qualify for the **Amazon Prime Membership Code**, you need to:

1. Apply for and open the All-In Banking Package on manulifebank.ca by using the digital application form.

AND

2. To qualify for the one-year free Amazon Prime membership, you'll need to make 5 or more debit card purchases or online bill payments from your All-In Banking Package in each of the two months after the month your account is opened. ATM withdrawals, e-Transfers, preauthorized debit transactions, account transfers, credit card payments, cash advances, and other types of transactions don't qualify.

AND

3. Keep your All-In Banking Package open and in good standing between the time your account is opened and the date in the fourth month when the Amazon Prime Membership Code is distributed.

If you meet the qualifications noted above, you'll receive the Amazon Prime Membership Code in the calendar month following the two months of qualifying transactions. For example, if you open your All-In Banking Package in June – whether June 1st or June 30th – you'll need to make any combination of five or more point of sale purchases with your debit card or online bill payments in both July and August. Assuming your account remains open and in good standing, you will receive your Amazon Prime Membership Code in September.

Manulife Bank is not responsible for code activation. Manulife Bank reserves the right to revoke this offer in event of abuse, fraud or other misuse of the All-In Banking Package or any of its components.

You'll need an Amazon.ca account to redeem your offer. If you don't have an active Amazon account of any kind, you'll need to create one first. There's no cost for a basic Amazon.ca account. If you're already an Amazon Prime member, you can redeem the code to add time to your existing membership.

The membership codes are good for one-time use only and must be redeemed by December 31, 2021. To make sure that you receive your codes, please provide us with a valid email address during the All-In Banking Package application process.

Your Amazon Prime membership automatically renews for the membership fee in effect at the time of renewal plus applicable taxes. Currently, the Amazon Prime membership fee is \$7.99/month or \$79/year plus applicable taxes. You can cancel at any time by visiting your Amazon Account and adjusting your membership settings.

This offer can't be combined with any other product, promotion or discounted banking program offered by Manulife Bank. This offer is also not available to anyone who has had an All-In Banking Package in the past 24 months.

This offer may be changed, withdrawn, or extended at any time without notice. Amazon Prime Membership Codes are subject to availability. Manulife Bank reserves the right to substitute the Amazon Prime Membership Code for an award of equivalent value.
