

Managing your Business Advantage Account: Digital & Phone requests

If your **Business Advantage Account requires two or more signatures to transact**, some transactions can be completed digitally, while others require a call to our Customer Service Centre. Use the chart below to see what Signing Officers can do online or through mobile banking—and what needs support by phone from our Manulife Bank Customer Service Centre. Please keep in mind that Manulife Bank Customer Service Centre will ask for authorization from the required number of signing officers on file to process any transactions or update information. The limitation applies only to accounts where the signature of two or more signing officers is required to transact.

Activities that Signing Officers can do online including but not limited to the following:
